

# A R I Z O N A D E P A R T M E N T O F TRANSPORTATION

## I-10/ MARICOPA ROAD

AUGUST 2003 -- FEBRUARY 2004

## CONSTRUCTION ALERT

TRAFFIC RESTRICTION & CLOSURE UPDATES: DIAL 511

Interstate 10 closures are required at Maricopa

Road as work advances on a new traffic interchange.

The first of many highway closures begins Sunday at 9:00 p.m. All I-10 westbound traffic will be detoured to Price Road between Queen Creek Road and Chandler Boulevard, adding about 10 miles to the trip between Tucson and Phoenix. The detour will continue until 5:00 a.m., Monday.

The same detour route will be used for all Interstate 10 westbound closures.

Eastbound I-10 closures will detour traffic to 56th Street between Chandler and Queen Creek.

Ultimately, I-10 will be widened to six lanes between Chandler and Wild Horse Pass boulevards, joining new routes through the Gila River Indian Community.

*The I-10/Maricopa Road traffic interchange is being replaced and relocated to serve new routes on the Gila River Indian Community. The existing interchange will be demolished as part of the project. Many I-10 closures are required as the project advances. Be alert to advance warning signs, or, dial 511.*
